

SARASWATHI P

Application Developer | Full-Stack Web Development |

+971 52 6979817 sarachandran89@gmail.com

Summary

Application Developer with hands-on experience developing, enhancing and supporting web-based business applications, management information systems, workflow automation and reporting solutions. Experienced in translating operational requirements into practical software features using JavaScript, Node.js, HTML5, CSS3, MySQL, REST APIs and Power BI. Hands-on involvement across requirement gathering, development, testing, debugging, implementation, deployment and user support. Strong business-domain experience enables effective development of applications that solve real operational problems..

Personal Details

- **Nationality:** Indian
- **Marital Status:** Married
- **Languages Known:**
English, Tamil, Telugu,
Hindi, Malayalam
- **Date of Birth:** 08.09.1998
- **Visa Status:** Resident Visa

Education

Bachelor of Engineering (B.E):

Electronic and Communication Engineering from Anna University- Tamilnadu, India.

PG Diploma:

Human in Resources Management in Annamalai University – Tamilnadu, India.

ADDITIONAL QUALIFICATION

ENGLISH FOR CAREER DEVELOPMENT in University of Pennsylvania.

Leading diverse teams & Organization by UNIVERSITY OF MICHIGAN

EXTRA CURRICULAR ACTIVITIES

Interested in music and have participated in many events at the college level

Leader in JRC at School Level.

PROJECTS, TRAINING, WORKSHOPS

Project: NEW GEN RIDERS' SAFETY GADGET

The primary objective of this project is to design an intelligent, smart helmet that functions as both a security system and a monitoring system for two-wheelers and their riders. This embedded system features a network of sensors and communication modules designed to prevent or stop driving in critical or abnormal situations. Additionally, the system is intended to include an accident detection feature for enhanced rider safety.

Workshop: Attended a one-day workshop on "Home Automation using Internet of Things" at Karpagam Engineering College, Coimbatore.

- **Address in UAE:**
Warsan 4, Dubai, U.A.E
- **Computer Literacy:**
Office Suite – MS Office, SharePoint
- **Driving License:**
In Progress
- **Prompting Engineering:**
Prompting Knowledge in ChatGPT, Claude, Groke...

Skills

- **Programming:** JavaScript
- **Frontend:** HTML5, CSS3, JavaScript, Responsive Web Design
- **Backend:** Node.js, Express.js
- **Database:** MySQL, SQL
- **Business Intelligence:** Power BI, Data Analysis
- **Development:** CRUD Applications, Authentication, Role-Based Access

PROFESSIONAL EXPERIENCE

❖ **Gardinia Contracting LLC (AZIZI Developments)**

28 Sep 2022 to till date
